Vacancy Notice

TradeTools Direct (Port Vila) is looking for applicants to fill the role of Hydraulic Specialist in our busy shop.

The Hydraulic Specialist is responsible to provide expertise and guidance on various hydraulic projects that may include review and improvements to water supply and drainage systems.

All applicants must meet the following requirements:

- 10 + years experience in the water system industry
- Maintenance of pumps
- Operating equipment
- Running water test
- Excellent organizational skills and attention to detail
- Strong analytical and problem-solving skills
- Dealing with and having a working knowledge of numerous types of hydraulic equipment
- Good knowledge of assessment of hydraulic capacities of pipelines, treatment plants, structures and pumps in water related projects
- Must have excellent verbal and written English skills
- Remuneration dependent upon experience

All applications must be dropped off in person at Trade Tools, Champagne Estate, Port Vila before **Friday 07th October 2022.**
