

## **Chef: Duties**

1. Work with us to create a Breakfast, Lunch and Dinner menu
2. Be available at all times when resort is occupied
3. Source ingredients and have them ready for all menu items at all times
4. Provide breakfast and lunch every day
5. Provide dinner if requested

## **Chef: Qualifications**

Ideal Candidate has experience and special training as a chef/sous chef. Must live in East Santo and work well with a team. Candidate will need a qualified sous chef to help and cover duties if Head Chef is sick or unavailable when guests are at the resort. For this reason, we prefer a married couple who both can do the job. All applicants will be considered.

## **Compensation**

DOE... up to 4,000 per day for breakfast and lunch plus additional payment when dinner is requested. We will pay 2,500 per day for menu development and non-cooking duties.
