

Job Description

- In-charge of our international banking and insurance operations in Vanuatu
- Drive value and meeting the expectation of the management
- Empower and engage staff to deliver service excellence

About The Role

Role Location: Vanuatu

Role Type: 2-year fixed term with full time opportunity

As the General Manager of our international banking and insurance business based in Port Vila, you will be responsible for our relationship and reputation with local regulators, Reserve Bank of Vanuatu, Vanuatu Financial Intelligence Unit, government officials, NGOs, customers, business associations and local community representatives.

The role requires good knowledge of international banking and insurance business and the related regulatory compliance requirements. The candidate must be able to work independently and able to identify and mitigate various risks that include but not limited to credit risk, market risk, AML/KYC risk.

Reporting directly to the CEO based in Shenzhen, China, this role is responsible for Vanuatu's end-to-end business operation.

Your key accountabilities in this role will include:

- Delivering value added and customer-focused propositions for our banking and insurance customers
- Maintaining high quality risk management and assurance processes to ensure products and services are compliant with local regulatory requirements
- Grow and sustain the business and generate revenue for stakeholders
- Enhance productivity while maintaining positive engagement with all stakeholders including employees
- Regular engagement with the CEO and top management and work closely with the finance and accounting team based on Shenzhen, China.
- Be responsible for the assets of the company and maintenance of the office at Port Vila.
-

About You

To grow with us and be successful in this role, ideally you must possess the following attributes:

- Proven senior leadership experience demonstrating industry, segment and/or geographic leadership
- Good knowledge of international banking and insurance business
- Strong credit / risk knowledge, experience, and assessment skills
- Demonstrated ability to drive and deliver results
- Have strong credit / risk knowledge, experience and assessment skills
- A team player with good communication and leadership, ability to motivate, develop and train staff
- CPA/ equivalent or Bachelor Degree in Accounting / Finance
- Proactive and able to work under pressure and to deadlines
- Oral written and communication skills in both English and Bislama. Knowledge in the Chinese language would be an advantage as our headquarter is in China.

About Sino Group Bank

Sino Group Bank obtained its international banking license from RBV way back in 2019. We also have another entity, TGM Insurance Limited, that is also licensed by the RBV in 2018.

TGM Insurance Limited has been in operation since 2018 but the international banking business was put on hold due to the current Covid-19 pandemic and travel restrictions. We are planning to start the banking business soon and secured our office premises in Port Vila. We are currently actively recruiting staff for the banking business.

Our Group CEO, Dr Christopher Chuang, is based in Shenzhen, China. He has several businesses that span across China, Hong Kong, Malaysia and Singapore.
