

Risk & Operations Officer

WORK WITH A GLOBAL TEAM

The Company

Titan FX is a regulated securities dealer based in Port Vila, Vanuatu. The company operates the Titan FX brand offering forex and CFD brokerage to traders globally. Titan FX differentiates itself from other brokers by investing in product development and outstanding customer service rather than sales and advertising.

Titan FX prides itself in offering employee training and career developing working conditions.

The Opportunity And Main Purpose Of The Position

Due to projected international expansion and growth for the team, a new opportunity is available in the Operations team. You will assist in risk management, monitoring trading servers and handling trading related operations.

This is a unique opportunity that will allow the successful applicant to work remotely from home, with an initial training period before taking responsibility for the night shift 5.00pm - 2.00am supporting a global client base. You will be supported with the tools, technology, training and support to enable you to provide exceptional service.

Reporting to the Finance & Operations Supervisor, you will work closely with the day and evening shift team members to perform operational tasks such as trade reconciliations, trade investigations and support and assist clients with technical enquiries. In addition, you will assist with risk management, risk analysis & reporting, and research of new products/services, including Cryptocurrencies.

Principal Responsibilities and Tasks

Key responsibilities include:

- Monitor trade exposure to ensure that any potential trading risk is identified and actioned as soon as possible
- Identify and escalate unusual trading activities
- Update trade-related parameters to reflect market conditions within required timeframes
- Conduct daily and weekly market analysis to identify and anticipate major economic news events
- Monitor the trading servers and promptly attend to outages
- Analyse trading to provide insights

Qualifications, Experience And Competencies

The successful candidate will bring:

- An Undergraduate Economics or Finance degree with a record of strong academic achievement
- A minimum of 12 months' relevant post graduate experience (Financial Services preferred)
- The ability to work autonomously, and be self motivated
- A strong interest and passion for the Forex industry
- A solid working knowledge of risk management frameworks

- Prior exposure to risk analysis & reporting
- Excellent research skills and an interest in Cryptocurrencies
- A people person and team player
- Excellent written and verbal communication skills
- Strong computer skills in Microsoft Word and Excel
- High level accuracy and attention to detail
- An aptitude for numbers with demonstrable advanced spreadsheet skills Able to cope well under pressure, be agile, flexible and self-motivated
- Excellent time management skills
- Eagerness to excel and exceed expectation

Please send CV and Introduction letter to hr@titanfx.com. The deadline for submissions is close of business 28 April 2021.
