## EMPLOYMENT OPPORTUNITIES

---

World Vision Vanuatu is a Christian humanitarian organization dedicated to working with children, families and communities to build our nation. Safeguarding children and adults living in communities where we work is central to everything we do. Since 1981, we have been working with and through partners to deliver programming to end violence, bring water to communities, improve the health of children, create sustainable livelihoods for families, and combat climate change.

World Vision Vanuatu has been selected as the new **Australian Humanitarian Partnership (AHP) Consortia** lead. The AHP supports effective collaboration and coordination between the Australian Government, the Vanuatu Government, and Vanuatu-based INGO partners. Between them, they identify who is best placed to respond to a specific disaster or humanitarian crisis. NGOs can team up on a joint response, or tap into their extensive and established international networks to deliver effective humanitarian assistance. Read more about the AHP here: [About \(australianhumanitarianpartnership.org\)](https://australianhumanitarianpartnership.org)

In order to effectively deliver good coordination of the Consortia, World Vision Vanuatu is seeking to recruit the following positions to be based in **Port Vila**:
